9. Anticipated Award Type	<p>Blanket Purchase Agreement (BPA) valid for 1 year. It is a basic order agreement that sets a list of fixed unit prices for the services that will be purchased regularly over a period of time. Individual orders for the purchase of goods / performance of tasks are released based on BPA for certain amounts in accordance with existing needs.</p> <p>Issuance of this RFP in no way obligates DAI to award a subcontract or purchase order and Bidders will not be reimbursed for any costs associated with the preparation of their quote.</p>
10. Basis for Award	<p>An award will be made based on the Lowest Price, Technically Acceptable Source Selection process. The award will be issued to the responsible Offeror submitting the lowest evaluated price that meets or exceeds the acceptability requirements for technical/non-cost factors described in this RFP.</p>

*Interested Offerors may obtain a full copy of the RFP which contains detailed instructions for preparation of the proposal. The RFP may be collected from the address and/or contact person above.*

DAI conducts business under the strictest ethical standards to assure fairness in competition, reasonable prices and successful performance or delivery of quality goods and equipment. DAI does not tolerate corruption, bribery, collusion or conflicts of interest. Any requests for payment or favors by DAI employees should be reported as soon as possible to [ethics@dai.com](mailto:ethics@dai.com) or by visiting [www.dai.ethicspoint.com](http://www.dai.ethicspoint.com). Further, any attempts by an offeror or subcontractor to offer inducements to a DAI employee to influence a decision will not be tolerated and will be grounds for disqualification, termination and possible debarment. See provision No. 18 for more details.

Organizations who fail to provide a Unique Entity ID (SAM) will not receive an award and DAI will select an alternate vendor/subcontractor/grantee.*

-----

**Background:****Summary of Current U.S. Government Requirements- Unique Entity ID (SAM)**

Effective April 4, 2022, entities doing business with the federal government will use the Unique Entity Identifier (SAM) created in SAM.gov. The Unique Entity ID (SAM) is a 12-character alphanumeric value managed, granted, and owned by the government. This allows the government to streamline the entity identification and validation process, making it easier and less burdensome for entities to do business with the federal government.

Entities are assigned an identifier during registration or one can be requested at SAM.gov without needing to register. Ernst and Young provides the validation services for the U.S. Government. The information required for getting a Unique Entity ID (SAM) without registration is minimal. It only validates your organization's legal business name and address. It is a verification that your organization is what you say it is.

The Unique Entity ID (SAM) does not expire.

**Summary of Previous U.S. Government Requirements – DUNS**

The Data Universal Numbering System (DUNS) is a system developed and managed by Dun and Bradstreet that assigns a unique nine-digit identifier to a business entity. It is a common standard world-wide and was previously used by the U.S. Government to assign unique entity identifiers. This system was retired by the U.S. Government on April 4, 2022 and replaced with the Unique Entity Identifier (SAM). After April 4, 2022 the federal government will have no requirements for the DUNS number.

If the entity was registered in SAM.gov (active or inactive registration), a Unique Entity ID (SAM) was assigned and viewable in the entity registration record in SAM.gov prior to the April 4, 2022 transition. The Unique Entity ID (SAM) can be found by signing into SAM.gov and selecting the Entity Management widget in your Workspace or by signing in and searching entity information.

**Instructions detailing the process to be followed in order to obtain a Unique Entity ID (SAM) for your organization begin on the next page.**

**THE PROCESS FOR OBTAINING A UNIQUE ENTITY ID IS OUTLINED BELOW:**

1. Have the following information ready to request a Unique Entity ID (SAM)
  - a. Legal Business Name
  - b. Physical Address (including ZIP + 4)
  - c. SAM.gov account (this is a user account, not actual SAM.gov business registration).
    - i. **As a new user**, to get a SAM.gov account, go to [www.sam.gov](http://www.sam.gov).
      1. Click "Sign In" on the upper right hand corner.
      2. Click on "Create a User Account"

3. Choose Account Type:
  - a. Create an Individual User Account to perform tasks such as register/update your entity, create and manage exclusion records or to view FOUO level data for entity records.
  - b. Create a System User Account if you need system-to-system communication or if performing data transfer from SAM to your government database system. Complete the requested information, and then click "Submit."
4. Click "DONE" on the confirmation page. You will receive an email confirming you have created a user account in SAM.

5. Click the validation link in the email that contains the activation code within 48 hours to activate your user account. If the email link is not hyperlinked (i.e., underlined or appearing in a different color), please copy the validation link and paste it into the browser address bar. You can now register an entity.

NOTE: Creating a user account does not create a registration in SAM, nor will it update/renew an existing registration in SAM.

2. Once you have registered as a user, you can get a Unique Entity ID by selecting the “Get Started” button on the SAM.gov home page.

3. Select “Get Started” on the Getting Started with Registration page.

## Getting Started with Registration

[Entity Information Home](#)

This the official U.S. government website for entity registration. Entity registration is FREE.

### Before You Get Started

Before you start your registration, there are a few steps you must complete first. Review these steps to help ensure you set aside enough time to complete your registration.

#### 1 Request a DUNS Number

All entities wishing to do business with the federal government must have a unique entity identifier (UEI). Currently, the DUNS number, which is a unique nine-character identification number provided by Dun & Bradstreet (D&B) free of charge, is the official UEI. D&B assigns UEI (DUNS) for each physical location of a business. Requesting a UEI (DUNS) takes about 10 minutes. Receiving a UEI (DUNS) takes 1-2 business days (under normal circumstances) when using the D&B web form.

4. Select "Get Unique Entity ID" on the Get Started page.

[Entity Management](#)

## Get Started

### Register Entity

An entity registration allows you to bid on government contracts and apply for federal assistance. As part of entity registration, we will assign you a Unique Entity ID (SAM).

Comprehensive and current entity information is an essential part of the federal award process. It is important to prepare your information and allow sufficient time to understand and accurately complete your registration. You only need to complete and manage it here to remain eligible for federal awards.

You must renew your registration every 365 days for it to remain active.

[Register Entity](#)

### Get Unique Entity ID (SAM)

If you only conduct certain types of transactions, such as reporting as a sub-awardee, you may not need to complete an entity registration. Your entity may only need a Unique Entity Identifier.

You can get a Unique Entity ID (SAM) for your organization without having to complete a full entity registration.

[Get Unique Entity ID](#)

5. Enter Entity Information.

- a. If you previously had a DUN Number, make sure your Legal Business Name and Physical Address are accurate and match the Entity Information, down to capitalization and punctuation, used for DUNS registration.
6. When you are ready, select “Next”
7. Confirm your company’s information.

- a. On this page you will have the option to restrict the public search of this information. “Allow the selected record to be a public display record.” If you uncheck this box, only you and the federal government users will be able to search and view the entity information and entities like DAI will not be able to independently verify that you have a Unique Entity Identifier (SAM).

**Allow the selected record to be a public display record.**

If you feel displaying non-sensitive information like your registration status, legal business name and physical address in the search engine results poses a security threat or danger to you or your organization, you can restrict the public viewing of you record in SAM’s search engine. However, your non-sensitive registration information remains available under the Freedom of Information Act to those who download the SAM public data file. <p>9. Anticipated Award Type</p>	<p>Blanket Purchase Agreement (BPA) valid for 24 months. It is a basic order agreement that sets a list of fixed unit prices for the services that will be purchased regularly over a period of time. Individual orders for the purchase of goods / performance of tasks are released based on BPA for certain amounts in accordance with existing needs.</p> <p>Issuance of this RFP in no way obligates DAI to award a subcontract or purchase order and Bidders will not be reimbursed for any costs associated with the preparation of their quote.</p>
<p>10. Basis for Award</p>	<p>An award will be made based on the Lowest Price, Technically Acceptable Source Selection process. The award will be issued to the responsible Offeror submitting the lowest evaluated price that meets or exceeds the acceptability requirements for technical/non-cost factors described in this RFP.</p>

*Interested Offerors may obtain a full copy of the RFP which contains detailed instructions for preparation of the proposal. The RFP may be collected from the address and/or contact person above.*

DAI conducts business under the strictest ethical standards to assure fairness in competition, reasonable prices and successful performance or delivery of quality goods and equipment. DAI does not tolerate corruption, bribery, collusion or conflicts of interest. Any requests for payment or favors by DAI employees should be reported as soon as possible to [ethics@dai.com](mailto:ethics@dai.com) or by visiting [www.dai.ethicspoint.com](http://www.dai.ethicspoint.com). Further, any attempts by an offeror or subcontractor to offer inducements to a DAI employee to influence a decision will not be tolerated and will be grounds for disqualification, termination and possible debarment. See provision No. 18 for more details.

Organizations who fail to provide a Unique Entity ID (SAM) will not receive an award and DAI will select an alternate vendor/subcontractor/grantee.*

-----

**Background:****Summary of Current U.S. Government Requirements- Unique Entity ID (SAM)**

Effective April 4, 2022, entities doing business with the federal government will use the Unique Entity Identifier (SAM) created in SAM.gov. The Unique Entity ID (SAM) is a 12-character alphanumeric value managed, granted, and owned by the government. This allows the government to streamline the entity identification and validation process, making it easier and less burdensome for entities to do business with the federal government.

Entities are assigned an identifier during registration or one can be requested at SAM.gov without needing to register. Ernst and Young provides the validation services for the U.S. Government. The information required for getting a Unique Entity ID (SAM) without registration is minimal. It only validates your organization's legal business name and address. It is a verification that your organization is what you say it is.

The Unique Entity ID (SAM) does not expire.

**Summary of Previous U.S. Government Requirements – DUNS**

The Data Universal Numbering System (DUNS) is a system developed and managed by Dun and Bradstreet that assigns a unique nine-digit identifier to a business entity. It is a common standard world-wide and was previously used by the U.S. Government to assign unique entity identifiers. This system was retired by the U.S. Government on April 4, 2022 and replaced with the Unique Entity Identifier (SAM). After April 4, 2022 the federal government will have no requirements for the DUNS number.

If the entity was registered in SAM.gov (active or inactive registration), a Unique Entity ID (SAM) was assigned and viewable in the entity registration record in SAM.gov prior to the April 4, 2022 transition. The Unique Entity ID (SAM) can be found by signing into SAM.gov and selecting the Entity Management widget in your Workspace or by signing in and searching entity information.

**Instructions detailing the process to be followed in order to obtain a Unique Entity ID (SAM) for your organization begin on the next page.**

**THE PROCESS FOR OBTAINING A UNIQUE ENTITY ID IS OUTLINED BELOW:**

1. Have the following information ready to request a Unique Entity ID (SAM)
  - a. Legal Business Name
  - b. Physical Address (including ZIP + 4)
  - c. SAM.gov account (this is a user account, not actual SAM.gov business registration).
    - i. **As a new user**, to get a SAM.gov account, go to [www.sam.gov](http://www.sam.gov).
      1. Click “Sign In” on the upper right hand corner.
      2. Click on “Create a User Account”

3. Choose Account Type:
  - a. Create an Individual User Account to perform tasks such as register/update your entity, create and manage exclusion records or to view FOUO level data for entity records.
  - b. Create a System User Account if you need system-to-system communication or if performing data transfer from SAM to your government database system. Complete the requested information, and then click "Submit."
4. Click "DONE" on the confirmation page. You will receive an email confirming you have created a user account in SAM.

5. Click the validation link in the email that contains the activation code within 48 hours to activate your user account. If the email link is not hyperlinked (i.e., underlined or appearing in a different color), please copy the validation link and paste it into the browser address bar. You can now register an entity.

NOTE: Creating a user account does not create a registration in SAM, nor will it update/renew an existing registration in SAM.

2. Once you have registered as a user, you can get a Unique Entity ID by selecting the “Get Started” button on the SAM.gov home page.

3. Select “Get Started” on the Getting Started with Registration page.

## Getting Started with Registration

This is the official U.S. government website for entity registration. Entity registration is FREE.

### Before You Get Started

Before you start your registration, there are a few steps you must complete first. Review these steps to help ensure you set aside enough time to complete your registration.

#### 1 Request a DUNS Number

All entities wishing to do business with the federal government must have a unique entity identifier (UEI). Currently, the DUNS number, which is a unique nine-character identification number provided by Dun & Bradstreet (D&B) free of charge, is the official UEI. D&B assigns UEI (DUNS) for each physical location of a business. Requesting a UEI (DUNS) takes about 10 minutes. Receiving a UEI (DUNS) takes 1-2 business days (under normal circumstances) when using the D&B web form.

### Register Entity

An entity registration allows you to bid on government contracts and apply for federal assistance. As part of entity registration, we will assign you a Unique Entity ID (SAM).

Comprehensive and current entity information is an essential part of the federal award process. It is important to prepare your information and allow sufficient time to understand and accurately complete your registration. You only need to complete and manage it here to remain eligible for federal awards.

You must renew your registration every 365 days for it to remain active.

### Get Unique Entity ID (SAM)

If you only conduct certain types of transactions, such as reporting as a sub-awardee, you may not need to complete an entity registration. Your entity may only need a Unique Entity Identifier.

You can get a Unique Entity ID (SAM) for your organization without having to complete a full entity registration.

Get Unique Entity ID

5. Enter Entity Information.

- a. If you previously had a DUN Number, make sure your Legal Business Name and Physical Address are accurate and match the Entity Information, down to capitalization and punctuation, used for DUNS registration.
6. When you are ready, select “Next”
7. Confirm your company’s information.

- a. On this page you will have the option to restrict the public search of this information. “Allow the selected record to be a public display record.” If you uncheck this box, only you and the federal government users will be able to search and view the entity information and entities like DAI will not be able to independently verify that you have a Unique Entity Identifier (SAM).

**Allow the selected record to be a public display record.**

If you feel displaying non-sensitive information like your registration status, legal business name and physical address in the search engine results poses a security threat or danger to you or your organization, you can restrict the public viewing of you record in SAM's search engine. However, your non-sensitive registration information remains available under the Freedom of Information Act to those who download the SAM public data file.
