- arrears in the payment of taxes and duties (mandatory payments);

- Initiation of bankruptcy proceedings;;

- other circumstances for refusal to participate in the procurement procedure.

6) for business entities providing logistics services, it is necessary to provide a cooperation agreement with licensed carriers, their constituent documents, registration certificates for vehicles to be used for the provision of services, driver's licences of drivers who will carry out transportation, and other documents specified in this section (past cooperation agreements with licensed carriers may be considered as experience).

- 100% deferred payment;

- offer the best value for money and quality of services;

On equal terms, preference will be given to the supplier offering the following: - has positive experience of working or cooperating with NGOs, charitable foundations and international humanitarian organisations, as evidenced by a letter of recommendation;

- provide a price quotation for the full Lot.

By submitting a price quotation, the Supplier agrees to

- processing, use, dissemination and access to personal data provided for by the Law of Ukraine "On Public Procurement", as well as in accordance with the norms of the current legislation, personal data (including passport data, identification code, electronic identification data: telephone numbers, e-mail addresses or other necessary information provided for by law), information provided by the Supplier to ensure participation in the procurement procedure, civil and economic relations.

- Participation in first aid trainings and other trainings in accordance with the Fund's policies, which will be organised by Charity Fund Posmishka UA under the signed contract with the Service Provider.

Charity Fund Posmishka UA reserves the right to

- request any additional or supporting data (from the Service Providers);

- accept or reject any price quotation in whole or in part;

- enter into negotiations with the selected Service Provider;

- assign contracts to more than one Supplier for the purpose of partial procurement.

The Supplier may submit a proposal for all Lots to the request in full or in part (for one of the lots/for a lot in part).

If a supplier submits a quotation, it represents and warrants that the supplier and all their subcontractors will protect individuals from sexual abuse and sexual exploitation, the term 'sexual exploitation' means any abuse or attempted abuse of a position of vulnerability, power or trust for the purpose of sexual exploitation, including but not limited to the acquisition of monetary, social or political gain from the sexual exploitation of others. Similarly, the term 'sexual abuse' means a physical act or threat of a sexual nature, whether by force or in an unequal or coercive environment.

Charity Fund Posmishka UA is committed to preventing, detecting and taking action against all cases of fraud and abuse.

A confidential anti-fraud and abuse hotline is available to all bidders, and suspicious and fraudulent activities should be reported to hotline@posmishka.org.ua or by phone: +38050321 1288 "hotline".

Head of the Charity Fund Posmishka UA
